### **Information Talk for Secondary One 2018/2019**

27 October, 2017

Dear Parents,

#### **Invitation to School Information Day**

Kowloon True Light School is a subsidized Christian girls' school with a long history of 146 years. Since the relocation to Hong Kong in 1949, the school continues to cultivate all-round Christian values for girls through education from primary to secondary school levels, guiding them to be the 'light of the world'. We have been striving for growth and excellence, making steady progress in conducting English as Medium of Instructions (EMI) at both primary and secondary school levels in recent years.

We are most enthusiastic to enroll teenage girls with potential as Secondary students and to provide them with quality education that benefits their growth and development. The 2018 – 2019 Secondary 1 admission process will start in early January 2018. We are organizing the School Information Day for parents to know about our school such as the school mission and vision and to meet our teachers and students. There will also be performances by our students. Application forms can be obtained at the end of the talks. Details of the School Information Day are as follows:
